

Nana's Sugar Cookies

For my bridal shower 46 years young, my mother in law presented me with my stand alone Kitchen Aid Mixer. Included was 45 cookies cutters in every shape, size, holidays and animals. Her card told me she had received the same gift from her mother in law with the Sugar Cookie Recipe...It has served me well. Hope you enjoy.

3 Eggs
1 teaspoon Vanilla
1/2 lb butter (2 sticks)
2 cups sugar
4 cups flour
1/2 teaspoon salt

Cream butter
Add sugar, Mix well
Add eggs, Mix well
Add salt & vanilla, mix well
Gradually add flour (Slowly)
Chill, covered 1 1/2 hrs
Soften on counter, roll out heaping spoonful at a time
Bake 350 8-12 minutes (depends on size & thickness of cookies)
